

## Let's Rotate! Worksheet

### Instructions

Rotate the original block using each of the following rotations. The axes are defined below. Use the blank boxes with the triangle-dot paper background to draw your rotations.

	<p><b>+Y (positive 90° Y-Rotation)</b></p> 
--	--

<p><b>-X (negative 90° X-Rotation)</b></p> 	<p><b>+Z, +Z (positive 180° Z-Rotation)</b></p> 
--	--
